

RECYCLE - REUSE

LOTHIANS RC ROSETTES

Join us today in recycling your club rosettes.

Do you hang up your prized rosette and gaze lovingly at it?
That's great!! That makes us all very happy.

But maybe....

You take a pic to send to family and friends or to post on
your socials... and then what?

Does it sit in your lorry or trailer gathering dust?

Maybe it's destined for a bag in your spare room?

We have an idea to re-use LRC rosettes!!

How about you take your pic and then swap it for a pack of polos for you and
your four-legged friend?

Not only will this save the club money, which helps keep costs to a minimum, it
may even reduce the number of rosettes eventually ending in landfill?
